ANSWER TO JUROR QUESTION #1

If you have answered Question 4 with a unanimous verdict, that answer will not be nullified by an inability to reach a unanimous verdict on 4a or 4b. Similarly, if you have reached a unanimous verdict on Question 4 and one of the subparts, but are unable to reach a unanimous verdict on the other subpart, then that inability will not nullify your otherwise unanimous verdict on Question 4 and the subpart you were able to agree on.

The same applies to Question 7.
